Smoked Wild Salmon

Grindstone Neck of Maine - Product Data

All Grindstone products are 100% natural. Grindstone is HACCP certified and FDA inspected.

We do not use any sweeteners in our products unless specified.

We smoke exclusively using hardwood chips certified to be free of acid rain fallout, chainsaw bar oil and other contaminants. We produce our pure smoke by burning woodchips at the lowest possible temperature and force filter the smoke through a water bath to reduce potentially harmful creosote buildup on our products
